## REFERENCE ONE™

"Stunning clarity  
and realism"

Our flagship loudspeaker is by definition the pinnacle of performance and a statement of our limitless passion and resolve to surpass even our own expectations.

Acknowledging the detrimental effects of vibration on sound quality our research of the critical issues and solutions to resolve them has resulted in a loudspeaker of outstanding quality, both sonically and visually.

By any margin this is a colossal design, capable of exposing every detail in your music. Revealing a stunning transparent stereo picture, with an immense sense of power and control with room-filling capabilities.
